Letter of Commitment for the NFDI-Initiative Text+:
Language- and Text-based Research Data Infrastructure

Dear Professor Hinrichs

it is both a pleasure and an honour for me to contribute to the activities of the Text+ participant “Berlin-Brandenburg Academy of Sciences and Humanities”. I am well prepared to contribute to the field of “Lexical Resources/Dictionaries” e.g. in respect of dissemination, discipline specific counseling and collaboration.

Once the Scientific Coordinating Committee (SCC) in the area “Lexical resources/ Dictionaries” will be built, I am also prepared to contribute to the work of this body.

With all my best wishes

(Thomas Gloning)
